**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community and work from home. I need local broadband providers in order to have service allowing me to continue working. Without these small provider we have ultimately no choice and can be left with no service or service so expensive it will only be available for the few.
